# PRESIDENTS REPORT

## BRETT THOMPSON

My first season as President of this great club has been a real learning experience. I couldn't have done it without the solid and continuing support of the current board as well as some help and advice from past presidents and board members. I would especially like to thank Current Vice President, Pete Smith, for his constant support throughout the year.

The Clubhouse has been well utilised this season by all members and the community for events, meetings, and general get-togethers, which has been great to see. Although the best night this season would have to have been the 'Sunset Soiree' a celebration of our 60th year. What a great night! Lots of faces - both new and old assisting us in the celebration of the first 60 years of the club from the 60's through to today, with nostalgic photo montages running on all the screens, memorabilia from past achievements and awards, and plenty of mingling from all areas of the club. Thanks to Jodie Reyntjes and her team for doing a great job organising this event, especially the GIANT cheeseboard which was extremely well received.

The 22/23 season I am pleased to report we managed to pay off our loan for the construction of the Surf Club, which now leaves us debt free. Our equipment stocks are better than ever with most of our life-saving equipment currently being updated including 2 new ATVs. As we look to the future we have a new Club Utility arriving next season (in this season's budget), and also need to look at updating some of our IRBs, which will be budgeted for next season. As a club, we are in great shape moving forward. Memberships are still increasing steadily in the 18+ area although we have dropped off slightly in other areas from nippers through to U/18, This is an issue right across the country in surf-lifesaving and other volunteer-based activities. This is something we are well and truly aware of and are actively working to negate this trend as much as possible.

A few key areas of the club I would like to expand on:

### Life-Saving Services

This season Grace Lightfoot and her team have done an amazing job keeping our patrols on the beach. Our numbers have been down in patrols and we have regarded this as our most important concern to address for the coming 2023/24 summer season. We are continually working in this area to try and boost our Bronze holder numbers by actively advertising throughout the community for Bronze camp, which will ultimately boost our patrolling numbers from outside our current membership, not just relying on nipper numbers coming through. We are aware of current retention numbers in and around the 15-18 age group, where we are dropping in numbers. Grace has been working this season on ideas to make patrols 'more fun', including activities and training that can be done during patrol. We look forward to seeing these ideas come to fruition next season.

### Training

The Training and Education Officer role was not filled this season, making this area difficult to oversee and improve. However, Davina has been our training officer this season and has been able to help organise and run many courses. With the help of trainers in all areas, the results we have been able to achieve in regard to numbers have been nothing short of amazing.

In order to make a difference in the patrolling numbers, training is an essential resource when it comes to creating patrol members capable of looking after our (sometimes dangerous) beach.

The community relies on our ability to keep them safe, and in the coming season, we are committed to creating an environment where people feel confident to upskill or train to be a part of the crucial first response service we provide. Our surf club's performance and retention would be greatly enhanced by filling this vacant board position.

### Competition

Our competition team is going from strength to strength, as you will read in the competition results. We have had consistent results in all area of competition and at all levels throughout the season. This is a real credit to Tim Watson and his team of area managers.

It's easy to see why we are getting consistent results and expanding numbers in all our competition teams.

Seeing the camaraderie growing between all age groups and disciplines is a credit to the entire competition team. I personally am really looking forward to what the future brings for the Jan Juc Competition Team.

### Juniors

Nippers as usual is such a big part of our summer at the surfclub, even more so with the introduction a few years ago of the Starfish Nipper program which adds to our already existing program in partnership with Kidsplus. All these programs take a great deal of organising and implementing and are a credit to all those involved. This is a great opportunity for young people to have access to water activities, which they may not have had before. Of which most of us take for granted.

A huge part of our community development is these programs , we teach young people to use the ocean correctly and teach them how dangerous it can be. One of the most significant facts of this is that most of the teachers and helpers are our young members mostly from our 13-18 year olds, who themselves have come through the nipper program, it is such a great pathway for the young people in our club to give back and share all that they have learned each in their own way from their time within the program.

Well done to Kate Walsh on another great year, overseeing the management of this area. Well done also to Shaun Cumming our nipper manager , Amelia Reyntjes our Junior Club Captain and Steve Jewson Starfish program for their tireless work and to their respective teams. It takes a lot of management to make all this look so smooth .

The Jan Juc SLSC is a great place to be and a place I am very passionate about, everyone in the surf club gives up their time to help and volunteer in so many ways to make it a better place.

I would just like to thank each and every member of our club for doing their bit and really look forward to seeing what season 23-24 has in store for us.

# VICE PRESIDENTS REPORT

## PETER SMITH

We have had another fantastic season at the Juc, as we wind back into our winter schedule. As with most organisations, the end of a season provides an opportunity for self-evaluation.

Some highlights from the 2022-2023 season include:

- 1180 registered members
- 400 registered Nippers
- 4532 preventative actions recorded on Jan Juc beach
- Celebration of our 60th year
- Debt Free in 2023 – after commissioning an amazing new facility in 2020, the club is now free of all debt, an achievement that should be celebrated.

There have been some great achievements at the club this year, including the work undertaken by our Board members. Grace has managed all the patrols, Kate has led the Junior section of the club, and Tim has led the competition area. Jodie joined the Board this year to oversee all the fundraising activities, including the organisation of the exceptional 60th-year celebration.

Congratulations to Rass for his recognition for service and Melissa for managing the finances, and lastly to Tommo for directing all the above.

A Key Board Focus for the future

With Volunteering Australia's - Volunteering in Australia 2022: The Volunteer Perspective report noted a decrease in Australians volunteering their time. In 2018-2019 36% of Australians volunteered, and by April 2022, this number had dropped and remained constant at 26%.

As an organisation that relies on volunteers to fulfill our primary goal of patrolling Jan Juc Beach, this is a statistic the Board is implementing strategies to address through flexibility & reward.

Over the past few years, a flexible patrolling model has been implemented and adjusted each year to allow our patrolling members to have a degree of flexibility when choosing their patrolling times, however still focussed on fulfilling our primary objective. Commencing 2023/2024 those patrolling members that reach pre-specified hours of patrolling the beach can be eligible for a membership fee rebate. As a Board, it is important to strive to offer patrolling members flexibility in as many aspects of the lifesaving service we provide: patrol scheduling, requalification's & training courses.

Life Saving Victoria has released a draft 2022/2023 Jan Juc SLSC statistic report showing a decline in active membership by 6%, with beach attendance increasing by 34%, and an increase in rescues of 140%, and first aid cases by 600%. These figures demonstrate the vital service our club provides to the Jan Juc Beach bathing community.

The Board will continue to remain aware and implement strategies to address any identified areas of improvement where possible.

# SECRETARY REPORT

## GEOFF THOMPSTONE

Jan Juc Surf Lifesaving Club turned 60 Years in 2023, representing a magnificent milestone. From very humble beginnings, started by a group of people dedicated to setting up a Lifesaving Club to provide water and beach safety to a growing number of beach users, to now be considered one of the major Clubs in Victorian Lifesaving.

The achievements gained over this period can never be underestimated. From building additions, done on an “as needs” basis over the years, culminating in the great facility that now stands on the original site. From day one, the Club has always had a “family culture,” and thankfully, this continues. Many members having an ongoing connection for decades.

The Club has been at the forefront of areas such as training & nippers, with our ideas and actions being accepted by other Clubs and LSV. The extensive training provided to Members has enabled them to utilise these skills and discipline in employment, personal development and general life.

Club Membership figures this year were down from 1480 the previous year to 1180 now. Social and Associate Memberships representing the bulk of the number decline. Other benefits for patrolling members have commenced, with valuable patroller discounts for specified over and above patrolling hours being introduced.

Personally, it was a privilege to represent the Club in reaching the final of the Viva Energy volunteers campaign, earning the Club \$3000, together with the exposure to the public of Jan Juc SLSC activities. Thank you to all those who voted and to the Oxspring Family for the original nomination.

Jumping back to the 60th, what a celebration with over 220 people enjoying fine food, a memorabilia room filled with classic photos and slide shows by decade beaming down from the TVs. There were many memories joyfully re-lived. Congratulations to all involved in the organising.

Club wise - special thanks to Davina Jackson, who has spent countless hours compiling a schedule of past patrol hours, state & club awards, and patrol service hours almost from the Club's beginnings to current times. All this information will be uploaded to Club History records.

The Tower – ah yes, the Tower - humbled with the thought and consideration behind the naming of the tower. The recognition of 55 years of patrol at the 2023 Presentation Night was also much appreciated. That’s a lot of looking out to sea on hot and cold days – but worth every minute.

# LIFESAVING SERVICES

## GRACE LIGHTFOOT

This season, Juc patrolled just over 50 days, successfully filling patrols every weekend and public holiday from November 2022 to ANZAC day. Each of our seven patrols teams completed eight patrols each for the season, this is a mammoth effort, and I would like to thank every patrol member for this.

In November we had our Men's Mental Health Patrol where we had a core patrol of male leaders. Jay Moss and Sam Dripps, the patrol captains engaged with all patrol members to create a place of support to encourage people to share, have conversations and check in with each other. President Thommo, organised a crew of boaties & members to come down to help put on a BBQ for the patrol members.

Juc celebrated 10 years of Pink Patrol in March, in line with International Women's Day. This was an especially exciting day as pink club bathers had been ordered to mark the occasion! With over 90 pairs of pink bathers ordered by our clubbies, including our male champions of change, the beach became pink for the day. With over 30 people coming down to patrol it was great to see nippers right up to life members in their pink. Betty's Burgers catered the day bringing burgers and chips for everyone to enjoy. Following pink patrol we had an afternoon tea in the club. Huge thank you to our female core patrol team and Jodie Reyntjes for making this day happen!

# LIFESAVING SERVICES

## GRACE LIGHTFOOT

This season we had seven Core Patrols Teams, which were made up of 30 core members. These core members are leaders from the club, have gained all awards necessary for their position, and are experienced in patrol operations. The objective of the core group is to ensure our patrols are equipped with a strong group of leaders, to cover the compulsory awards, and to upskill active members into core positions as well. We also had over 200 Active Patrollers this season; these members selected the best days for them to patrol.

Working alongside our beach Lifesavers, Jan Juc again hosted a Life Saving Victoria, RWC (rescue watercraft or jetski) service. This service was used by both Lifesavers and Lifeguards. This season our call-out team and off-duty members also executed several successful off-duty responses, including helping Victoria Police locate a missing stand-up paddle boarder in strong Easter swells.

We are so incredibly proud of all our Lifesavers this season who managed thousands of people a day, strong rips, and challenging surf conditions. They are the reason thousands of people are kept safe at our beach over the summer and help ensure everyone has a great beach day.

A special thank you to all of our patrol captains and the Juc Operations Committee;

- Olivia Jenkins – Patrol Coordinator
- Jay Moss – Gear and Equipment Captain
- Rick Elliot – IRB Captain
- Jemma Urgan – First Aid Officer

Please see pages 36 for full list of patrol hours and top patrollers.

Action	Season 22/23
Preventative	4532
First Aid	1208
Rescues	23
Beach Attendance	50524

# JUNIORS REPORT

KATE WALSH

We extend our heartfelt gratitude to everyone who contributed to the success of the Junior Club programs this season, in particularly those parents who are part of the Nippers committee, those who recently obtained their bronze medallion solely to assist in the water activities, and also those who obtained their official qualifications to help out at carnivals.

We also appreciate those who assisted with first aid, trailer packing and towing, set up, pack up, kiosk and BBQ duties. Every contribution matters! As we look ahead to season 23/24, we'd like to ask all parents to consider how they can lend a hand next season.

## Nippers

We had over 400 nippers enrolled in the Jan Juc SLSC Nipper Program throughout the 2022/23 season. The Nipper training program began on Sunday mornings in early October for U8-U13 participants who were keen to increase their surf sports skills, keep fit, and represent Jan Juc at carnivals.

Our Summer Surf Education program for U7-U13s commenced just after Christmas for two and a half weeks, including Surf Life Saving skills and activities, First Aid night, and Danger Ocean Series 'Wade' Race.

Thanks to Olivia Cottrill and Sam Greenshields for their work in co-ordinating the Surf Education program and putting together a program that was thoroughly enjoyed by all of the kids who attended.

One of the highlights of the Surf Education program for our kids is always the First Aid Night!

Thank you to Chris Lamb who helped organise the paramedics and health professionals to come along to teach our Nippers in such a fun and informative manner.

# JUNIORS REPORT

KATE WALSH

The Summer Surf Education program owes its existence to the unwavering commitment of our Age group leaders, who are juniors from our club who have successfully completed the Nipper program and have also gone on to complete their Surf Rescue Certificate and Bronze Medallion.

These exceptional individuals return to guide and inspire younger members, enabling them to acquire and enhance their life-saving abilities. We cannot express enough gratitude for serving as exemplary role models for the future generation of our club.

Additionally, we extend our appreciation to the experienced Bronze medallion holders, including parents and other club members, who generously contributed their time to provide water safety and specialised instruction as part of the Summer program, working closely with the Age Group leaders.

## **Nipper of the Year Award**

Congratulations to our two U13s – Archie McKie and Lachlan Thomas - who were awarded the Nipper of the Year award for their overall contribution to the club including leadership, commitment to training and competition, helping at fundraising activities and being involved in all areas of club activities.

## **LSV Leadership Development Camps**

We had three participants selected to attend the LSV U13 Leadership Development Camp – Archie McKie, Niamh Napper and Lachlan Thomas. They joined 54 youth from across 28 Victorian clubs to develop their interpersonal skills, broaden their understanding of lifesaving and support participants as they progress through their lifesaving journey.

We also had two applicants – Julia Drohan and Summer Stewart - selected to attend the U15 LSV Leadership Development Camp held from 5-7 May at the YMCA Anglesea Recreation Camp – a fun-filled weekend of thought-provoking activities designed to develop participants' knowledge of self and their teammates, while learning the fundamental skills of leadership.

1963-  
2023  
60 YEARS

### Victorian Junior Life Saving Championships

The Victorian Junior State Championships threw up many challenges with some huge surf for our Juniors over the three days of competition! Our Juc kids proved how strong, courageous, and determined they are by beating the elements and producing some more spectacular results... not to mention their amazing sportsmanship and care for their teammates. Jan Juc finished 7th Victorian club overall on the points tally. We couldn't be prouder of all of the kids' efforts over three long days of racing.

Our dedicated group of parents, including coaches, team managers, officials, and water safety volunteers, generously donate their time every Wednesday and Sunday, as well as on Carnival weekends, to support our Nippers program. They not only coach the children and develop training programs but also ensure their safety in the water and provide opportunities to compete in carnivals throughout the season. Regardless of the varying abilities among the kids, these parents work tirelessly to enhance their lifesaving and competition skills while offering unwavering support.

### Victorian Junior Pool Life Saving Championships

Congratulations to our small squad of 9 Jan Juc U8-11 nippers who competed at the Victorian State Pool Lifesaving Championships in June 2023. Jan Juc finished 3rd overall, behind Lorne and Altona. A fabulous result.

Individual shoutouts to Matilda Thomas, Levi Ritchie, Joey Batchelor, and Oliver Young, who all won gold in one or more events. Notable efforts also to Carrie Hopkins and Parker Stewart, who both placed 4th in line throw and Carrie also in the obstacle race.

Congrats to Rosie Bridges, who also raced extremely well and received a bronze medal in the 4x 25m manikin relay, and U9s Georgia Bridges and Izzy Greene, who received a bronze medal in the 4 x 25m kickboard relay.

# NIPPER STATES

8th Beach Run - Yuma R  
9th Surf Race - Yuma R  
10th Ironman - Archie M

# STARFISH NIPPERS

STEVE JEWSON & JACI CHIN-JEWSON

Starfish Nippers is a modified and structured nipper program designed for children and young adults living with special needs aged from 6 years and older with one-on-one supervision. It runs alongside a Club's Summer Nipper Program and focuses on beach and water safety and awareness and promotes inclusion and diversity. It features modified nippers beach and water activities such as games, running, beach flags, wading, swimming, and boards as well as activities with the club's Age Group Nippers. We are always looking for more volunteers as our program continues to grow.

We had an outstanding group of 8 Starfish Nippers this season – Xavier, Flynn, Georgia, Humphrey, Marley, Marlon, Rufus, and Tilly - each who brought their unique personality, resilience, courage and enthusiasm to the beach each day. It is a joy to be on the beach and watch beach and water skills develop in kids with little experience in an aquatic environment. We especially enjoyed the trust developing between Starfish Nippers and mentors.

Well done on taking on the challenge of learning new skills and overcoming any fears or hesitations you may have had. The progress you made in your aquatic and surf awareness and safety skills was impressive, and it was clear to see how much fun you were all having while doing it. A couple of highlights were the Adventure Race, where our Starfish Nippers joined in with the rest of the gang and had a ball, and our first aid day. A special thank you to Aisha Buckle for running through all things first aid, CPR, and, of course, bandaging fake broken limbs and everyone's favourite – the fake vomit!

We hope all our Starfish Nippers will continue to build on newfound skills and confidence in the water and that they will continue to enjoy and love the beach as much as we do. Keep pushing yourselves to try new things, and never stop learning and growing.

# KIDS PLUS PROGRAM

## STEVE JEWSON & JACI CHIN-JEWSON

Thank you for being such a fantastic group of Starfish Nippers. You made our job an absolute pleasure and we feel lucky to have been a part of your journey. Well done on a great season!

Sometimes we forget how much our volunteer mentors also gain from the Starfish Program. Jan Juc Surf Life Saving Club is not only about providing a community beach rescue service, we are also about developing and enriching young people. We want our volunteers to have a sense of community and taking part in programs outside of our normal activities broadens the youth experience. Increased empathy and understanding, improved communication abilities and a greater appreciation for diversity results in volunteering as a mentor for our Starfish Program.

We have proudly watched as both Starfish Nippers and mentors laughed and had fun together, all differences disappearing from mind. We would love to thank Aisha Buckle, Archie & Shelby Seabert, Fiona Brennan, Georgie Richards, Isela Bridges, Niamh Napper, Lukas & Noah Capicchiano, Thomas Oxspring and Anita Craven for giving up their precious time to mentor our Starfish Nippers. We simply could not give these children these opportunities without your dedicated assistance.

Although a much shorter program than Starfish Nippers (four days in January), the Kids Plus Foundation Summer Beach Program is just as rewarding and was the incentive for starting the Starfish Program.

We facilitate a summer beach program for the Kids Plus Foundation, where physiotherapy in an aquatic environment assists children with cerebral palsy in a fun and safe environment. This year was our fifth year of running this program, and we finished off with Steve giving a presentation at the Kids Plus Foundation 'Change Makers' conference at the RACV.

### Thank you to all our wonderful volunteers who helped with the Kids Plus Program.

Liz Oxspring	Billie-Jack Thomson
Chloe Reyntjes	Isabella Trujillo
Anthony Reyntjes	Luke Van Meel

After much commentary on the community social media pages, we decided to take the club's beach accessibility chairs down to Fisherman's Beach for a 'come and try' day. This highlighted the difficulties people living with disabilities experience if they want to simply visit the beach and maybe get their toes wet.

We decided it would be a great idea to have one of our chairs located at Fisherman's Beach, and the Torquay Angling Club and Torquay Marine Rescue came to the party to house the chair and manage bookings. It became evident that, despite the good intentions of three community organisations, this would not work. We are all volunteers and cannot always be available. Steve and I had a few meetings with GORCAPA and the Surf Coast Shire, and we have managed to come to an arrangement where GORCAPA manage our chair and bookings, and the Shire keeps all the information on their website. We are still far from perfecting the process, but a start has been made

We are also forming a working group with interested club members, with the goal being to provide more opportunities within the Jan Juc SLSC for people living with disabilities to participate in all aspects of the club.

Our greater aim is to be able to create some pathways to patrolling (alongside a mentor), which could include radio communications, first aid, and surf rescue certificate or bronze medallion - finding solutions to physical barriers. There is a strong area for growth and opportunity to improve access and inclusion for people living with disabilities within Jan Juc SLSC, and our focus is to be more reflective of the community. Surf Life Saving can be a place for everyone. The NDIS has offered to meet us where we are at and work towards making positive changes together to improve access and inclusion in our club.

Education around the culture of our club and the community's attitudes towards people living with a disability is an imperative part of their role, and we look forward to working with them to build awareness, understanding, access, and inclusion. If you would like to be a part of this working group, don't hesitate to get in touch at [starfish@janjucsurfclub.com.au](mailto:starfish@janjucsurfclub.com.au).

Future plans to broaden club involvement in the community include planning to have a focus on an older age bracket participation with the implementation of the Silver Salties program. Keep an eye out for this one.

# TRAINING & ASSESSMENT

## DAVINA JACKSON

Season 2022/23 has seen the return to new 'normal' delivery of courses and use of training resources, particularly manikins in resuscitation training. It is pleasing to see the continued enthusiasm of members to expand their skill set and expertise through the great teamwork of learning and working with peers of all ages.

We are fortunate in continuing to access grants and funding to update and expand the Club's quality training equipment to ensure we are self-sufficient in delivery of a variety courses across the extent of the Lifesaving awards. Training resources are now registered in the LSV Gear and Equipment Management System (GEMS). Thank you to the Training team members who helped prepare the equipment and resources for a very efficient Gear Inspection earlier in the season.

This season Jan Juc Trainers, Assessors and Facilitators (TAFs) delivered a total of 36 courses, including seven Skills Maintenance sessions, where six awards were assessed each session. Total courses encompassed 355 candidates at Jan Juc alone. 240 new lifesaving awards were achieved (Please see following pages for a detailed list). This requires multiple TAFs, water safety, and helps volunteering their time, a huge effort; thanks to everyone involved.

Some of our TAFs helped deliver courses at six other Clubs; assisting and mentoring other TAFs whilst consolidating our reputation for quality delivery and inclusiveness of all lifesaving members. We delivered the most accredited (Health Unit Courses) in the State. 35 new Trainer, Assessor and Facilitator awards were achieved, bringing our TAF awards to a current total of 158 awards across 28 people, one of strongest teams in the State, supported by a structured Jan Juc succession plan developed over 10 years ago.

After two years of delivering the newer SLSA Surf Rescue Certificate (SRC) & Bronze Medallion (BM) curriculum, the Bronze Medallion Bridging course (proficient SRC members transitioning to BM) was successfully delivered, meaning the six day intensive BM course was reduced to four days. An efficient use of time and member resources. The SLSA Silver Medallion Patrol Captain award has been rolled out, replacing the Silver Medallion Beach Management. This is a new award where Patrol Captains, Vice-Captains and Beach Leaders will have two years to undertake the new award to transition across. Very positive feedback about the relevance of learning, has been received from candidates so far.

Some of our experienced Facilitators and Assessors were asked to participate in State System Matter Expert groups to review Bronze Medallion and Skills Maintenance questions and resource lists, and more recently, update and restructure the Side-by-Side Vehicle Operator (SSV) award. On behalf of LSV (in my role of State Training and Assessment Resource Officer) thank you to Dean Sibun, Will McCance, Steve Scammell and Jemma Ugrin, for your knowledge and expertise.

Key priorities for Training and Assessment over the next 12 months include:

- Providing multiple opportunities in an inclusive and supported environment, for a diverse range of members to undertake lifesaving awards. This includes land based awards for members not aquatically inclined. There is a place for everyone to help out Jan Juc
- Continuing the delivery of the Bronze Medallion Bridging course to eligible candidates
- Piloting for LSV, the new Skills Maintenance App on the iPad for same-day electronic processing
- Promote interclub award training across the Surf Coast Area
- Complete the IT setup of the lower floor Training rooms
- Assist in updating the Club website with current Training and Assessment information.

# TRAINING & ASSESSMENT

- Earlier delivery of multiple courses in readiness for patrolling - Silver Medallion Patrol Captain (SMPC), IRBC, SMIRBD, SSV operator, and Health Unit courses, including annual Resuscitation courses to maintain 3-yearly Advanced Resuscitation Techniques (ART) & First Aid (FA)
- Continue to provide opportunities for supported TAF development and succession planning, in particular, for new Trainers beginning their journey with the Training Officer Certificate theory (TOC)

Special thanks to Geoff 'Rass' Thompstone for his expertise and long hours in processing Skills and Maintenance proficiencies, not only for all our Club members but across the State in his role of Surf Coast Assistant Training and Assessment Officer.

Thank you to Club members and all Trainers, Assessors, and Facilitators for your continued support in Jan Juc's area of Lifesaving Skills Development; your time, efforts, and skill sets are greatly appreciated.

It has been a pleasure working with Julia Clarke – Surf Coast Area Training and Assessment Officer, and the knowledgeable LSV Volunteer Training staff. We look forward to you joining us in 2023/24 for your next course.

## SLSA / LSV AWARDS

### SLSA

50 YEARS ASSESSING AWARD - Geoffrey Thompstone

20 YEARS PATROL SERVICE (16 hours + per year) – Stephen Jewson

# COMPETITION REPORT

## TIM WATSON

It's been another big year, first full season back post covid provided us with plenty of opportunities to compete and get together.

### Lorne Training Camp

Was held on the 8 / 9th Oct, the crew did various runs, swims, paddles, boxing, physio sessions, some harder than others, was great to have families involved and get together around a fire as well.

### Ky Hurst Weekend

This was a fantastic weekend, Ky was great with his time on Saturday night for a Q & A, the senior crew got a lot out of the 3 x 1 ½ hour session, then a nippers clinic on the Sunday. Great opportunity to have someone of Ky's calibre to pass on his knowledge and experience to our competitors.

### Surfing Victoria

We once again hosted Surfing Victoria indigenous program for 2 nights, I had great help from Chloe Walsh, Chloe Reyntjes and Jamie Flanagan, the girls were great with the group and pleasure to have there, we have been working with surfing Vic and this program for several years now.

### Victorian Teams

We had a number of members make Victorian Teams this year, Tallulah Rush ( Victorian Pool Lifesaving State Team ) and Raph Rush ( Victorian

Pool Lifesaving Development Team ), Chloe Walsh, Zoe McKenna (Victorian Youth Team) and Will Richards (Victorian Open Team)

### Manly Trip

We were finally able to get our group up to the Manly and Freshwater Carnivals, 36 parents and competitors made the trip, unfortunately Manly was called off due to shark sightings but Freshwater went ahead on the Sunday which was great to get some racing in, all in all a fantastic trip away.

### Victorian Titles

There were some fantastic performances throughout all the Victorian Titles from Enduro's, Masters, to Senior Vic's at Ocean Grove.

### Aussies

A number of competitors made their way over to Perth for the Aussie Titles this year, whilst everyone competed really well the standout performances were the Youth girls making the board relay final and the U23 girls making the surfboat final.

I would like to thank all of our coach's, officials, team managers, water safety and irb team, and all of the helpers we need to set up marquees, dinners, bunnings bbq's, who without your help we could not have competed.

# CLUB CHAMPS

## 2023 CLUB CHAMPIONSHIPS - U/14 to O/70

38 Competitors attended this year's Club Champs, witnessed by a large supportive crowd

### 2023 Club Champions

U/14 Male – Josh Gillard

U/14 Female – Julia Drohan

U/15 Male - Campbell Batchelor  
/ Josh Thompson

U/15 Female – Zoe McKenna

U/17 Male – Will Richards

U/17 Female – Lani Steel

U/19 Male – Archie Watson

U/19 Female – Emer Oxspring

Open Male – Jay Moss

Open Female – Amelia Reyntjes

O/40 Female - Emily Bradshaw

O/50 Male – Peter Smith

O/60 Male – Steve Jewson

O/70 Male - Ken Isaac

# AUSSIES RESULTS

The largest Juc team in a number of years headed across to Scarborough in Western Australia for the 2023 Australian Surf Life Saving Championships. It was great to see Juc athletes mixing it with the best in the country. Shout out Andrew Richards and Pete Saw, who joined Tim Watson in driving the Craft Trailer and Surf Boat across the country and back!

## Youth Team

Isabella Trujilla, Jamie Flanagan, Zoe McKenna, Chloe Reyntjes, Chloe Walsh

U14/U15 Female Surf Teams: FINAL 7th - Jamie Flanagan, Zoe McKenna, Chloe Reyntjes, Chloe Walsh

U14/15 Female Board Relay: FINAL 12th  
Zoe McKenna, Chloe Reyntjes, Chloe Walsh

U15 Female Surf Race: FINAL 26th Zoe McKenna; SEMI FINAL Chloe Walsh; QUARTER FINAL Chloe Reyntjes, Jamie Flanagan, Isabella Trujillo

U15 Female Surf Board Riding: FINAL 2nd Zoe McKenna

U15 Female Champion Lifesaver: FINAL 8th  
Chloe Reyntjes

U15 Female Board Race - SEMI FINAL Jamie Flanagan, Zoe McKenna; QUARTER FINAL Chloe Reyntjes

U15 Female Ironperson: SEMI FINAL Zoe McKenna; QUARTER FINAL Chloe Walsh

U15 Board Rescue: QUARTER FINAL (Jamie Flanagan/ Chloe Reyntjes), (Chloe Walsh/ Zoe McKenna)

## Senior Team

Tom Richards, Will Richards, Archie Watson, Lani Steel, Lucy Stevens, Aisha Buckle, Clem Scheffers, Alicia Rochler, Kelsey Stewart, Anthony Hunter, Mia Hunter, Teagan Blythe, Kate Thompson, Hannah Branson, Brett Thompson, Tony McKenna, James Edmonds, Pete Saw, Luke McKenna

U17 Male Single Ski: QUARTER FINAL Will Richards

U19 Board Relay: QUARTER FINAL Will Richards, Tom Richards, Archie Watson

U19 Single Ski Relay: SEMI FINAL Will Richards, Tom Richards, Archie Watson

U19 Ironperson: QUARTER FINAL Archie Watson

U17 Single Ski: SEMI FINAL Lani Steel

U17 Female Surf Race: QUARTER FINAL Lani Steel

U23 Female Surf Boats: FINAL 6th Jucaros (Mia Hunter, Teagan Blythe, Kate Thompson, Hannah Branson, Brett Thompson (Sweep))

Mens 50-54 2K – Steve Scammell  
Mens 50-54 Sprint – Steve Scammell  
Womens 45-49 Flags – Samantha Greenshields

# MASTERS RESULTS

## 4th Placings

Womens 45-49 Ski – Olivia Cottrill  
Womens 45-49 Surf Race – Samantha Greenshields  
Mens 30-34 Board Race – Benjamin Lund  
Mens 40-44 Board – Scott Prosser  
Mens 35-39 Iron Man – Benjamin Lund  
50-54 Mens 2k run Chris Scarff  
Womens 130+ Board Relay – Olivia Cottrill, Jennifer Henderson, Emily Bradshaw  
180+ Male Surfboat – Marcus Dripps , Michael Formosa , James Povey, Chris Scarff Anthony Hunter (sweep)

## 5th Placings

Mens 45-49 Flags – Michael Formosa  
150+ Male Board Relay – Brad Papworth, Steve Jewson, Peter Smith  
Womens 45-49 Board Race – Emily Bradshaw  
Mens 50-54 2k run – Chris Scarff

## 6th Placings

30-59 Belt & Reel – Steve Scammell, Chris Scarff

# SPONSORSHIP & FUNDRAISING

## JODIE REYNTJES

Season 2022/23 has been a huge season in the sponsorship, fundraising & events space.

The Club has welcomed the support of both our ongoing and new major sponsors, who provide both cash and in-kind support to the club.

Major Patrol Partner - Champion Blinds  
Major Club Partner - The Gourmet Pantry  
Major Nipper Partner - One Agency Surf Coast  
Major Nipper Partner - Betty's Burgers  
Club/ Nipper Partner - Rip Curl  
Boat Sponsor - Incognitus  
Boat Sponsor - Crossfire

In addition, we have a number of local and club member businesses that provide support to our major events - both cash and in-kind.

The support the club receives from our sponsors is essential in keeping our life-saving services on the beach. Our club has grown significantly over recent years, and sponsorship monies help the club train our volunteer lifesaving members and maintain and replace essential equipment, as well as maintain the building and support a range of club activities.

Many of our sponsors provide contra products presenting unique fund-raising opportunities for the club. We can use these product donations to raise additional funds - via raffles, auctions, and as prizes at our major events.

The club has also been successful in several grant applications and has received donations from Bells Beach Brewing through their sales of Jan Juc Pilsner. Further funds are raised through bar and kiosk sales, and merchandise sales. as well as venue hire for external events and functions. The club also provides the use of the clubhouse to a range of local community groups for their meetings at a heavily discounted community rate.

# SPONSORSHIP & FUNDRAISING

## Grand Final Eve Luncheon

A great day was had by all at this major club fundraiser held on Friday, 23 September, at RACV Torquay. Over 180 people heard from ex-AFL footballers Nathan Brown & Matthew Stokes.

The club raised significant funds on the day via raffles and auctions and thank all businesses who donated prizes. Thanks to Club Members Brad Papworth and Andrew 'Flash' Flanders for organising the event.

## Golf Day

This annual major fundraiser was held at RACV Torquay on 5 January 2023. Over 120 golfers enjoyed a round of golf, lunch, auctions, and raffles. Thanks to Jeremy Bond and his team for their efforts in organising the day. Thanks to major Golf Day Sponsors for their support as well as to the businesses that provided golfer prizes, auction & raffle prizes, including naming rights sponsor Muirfield Financial Services, and Club Partner The Gourmet Pantry.

## Danger 1000

The 2023 event on 7 January 2023 saw a total of 1004 registrations, exceeding the number of the last pre-covid event in 2020.

Challenging swimming conditions on the day resulted in less on the day sign-ups. The new Danger Dash was well received. Feedback was excellent from swimmers who love the event and the care and efforts of our water safety team.

Thanks to Event Director Brad Papworth and key area coordinators who delivered a safe event in challenging conditions. Thanks to sponsors - RSM, Coulter Legal, Engine Swim, Sweets Torquay, Rip Curl, The Gourmet Pantry.

### 60th Anniversary Sunset Soiree

Over 220 past and present Jan Juc SLSC members gathered on 29 April to celebrate the club's 60th year. With memorabilia from over the years, digital photo displays from each decade, festoon lighting, music from club member Will Gibb and a very popular grazing table...the night was a wonderful celebration. Special thanks to club sponsor The Gourmet Pantry for supplying an assortment of delicious crackers and condiments for the grazing table.

### Bells Bash - Paused for 2023

In October 2023, the Board made the decision to pause the Bells Bash event for 2023. The Board and Event Directors carefully reviewed the event and the decline in numbers over the past six years that have impacted the event's profitability, given the costs involved and the extensive demand for our volunteer members' time throughout the summer period. The Board has been reevaluating what the Bells Bash could look like in future years with the view to relaunching a re-imaged Bells Bash event in late 2024 that will appeal to an ever-changing audience.

### Boaties Trivia Night

Thanks to everyone for thinking, drinking and buying their way through Boaties Trivia & Silent Auction on 17 March raising money for the competition area. There was a great turnout with Hoggys Heroes winning the trivia. Shout out to auction/ prize sponsors - The Gourmet Pantry, Bells Beach Brewing, Santa & D'Sas Wine, Mt Moriac Beef, Jan Juc Massage, PetStock (Torquay North), Ocean Grind, Sweets Torquay, Rip Curl, Native Earth Botanicals, Sweets Torquay, Active Feet (Newtown), Bellarine Beeswax, Bomboras, Dean Cooper Landscape Photography, Paint by Tania, Frank & Al Chai, Flowstate Gin & Jaded Painted. Well done to the Juccernauts crew for organising.

# FINANCE REPORT

## MELISSA FIELD

I am pleased to report sound results again this year for Jan Juc Surf Life Saving Club. 2023 is our first 'normal' financially operating year in our new clubhouse, after the last few years of heavily Covid impacted financial operations.

The club's audited financial statements report an accounting profit before depreciation (a non cash item) for the 2023 year of \$150,246, and a loss after depreciation of \$78,152. This compares to a reported loss after depreciation for 2022 of \$52,793. These results include receipt of a \$50,000 distribution from the estate of the late Richard Ibbotson, a former member of our club. As noted in the subsequent events note of the financial statements, a further \$370,000 distribution from Richard's estate was received in June 2023. This \$370,000 will be recorded as income in the 2024 financial year. I'd like to gratefully acknowledge this bequest and the fact that our club life meant so much to Richard.

### **Operations**

Core activities, including lifesaving operations (patrols), lifesaving skills development (SRC, Bronze, and other training courses), junior and senior competitions, nippers, and surf education, were all conducted at full strength over the season, and while there were some financial overs and unders in particular club operational areas, overall, the club operated within budget and expectations for the financial year.

After a significant jump in membership in 2021 and 2022 (with membership revenue up 29% in 2021 and a further 17% in 2022), membership revenue dropped back a bit this year, declining by 21%. Changes in nipper age group offerings by other clubs locally, meaning Jan Juc SLSC is no longer the sole club offering U7 nippers, contributed to the drop year on year. Notwithstanding, 2023 membership revenue remains 30% above 2020 levels, the last season before Covid and the completion of the new clubhouse.

Through the generous support of our volunteers operating the club bar and supporting events, bar operations, social and outside events also contributed a net profit of \$44,597 to the club, an increase on the \$34,445 contribution from 2022. The valued efforts of our volunteer coordinators and support teams saw a range of fundraising events deliver good returns to the club. The Golf Day Golf Day contributed a net \$17,578 and the Grand Final Eve event – back for the first time since 2019 – contributing a net \$13,970. The Danger Swim Series also staged a successful 'prime time' January return and contributed a net \$11,455 to the club.

### **Maintaining our assets – continued investment**

The club has been successful in accessing a variety of capital grants and sponsorships this year and this combined with the support of other fundraising activities has enabled us to continue to invest in operational equipment this year. The club invested \$55,624 in assets during the year, somewhat less than the \$152,168 in 2022. The club was anticipating to have completed the acquisition of an Isuzu ute during the year, but due to supply chain delays, the delivery of this ute is now expected in the 2024 financial year. Assets acquired during the year included a Polaris Ranger ATV, Clubhouse audio and sound system, security cameras, honour boards and signage, bifold doors for the kitchen, and a replacement shark alarm for the tower.

1963-  
2023  
60 YEARS

### **Cashflow and financial position**

As at year-end total bank borrowings outstanding was only \$198 compared to \$174,843 at the end of 2022. In a rising interest rate environment, the club has elected to utilise available cash to pay out bank borrowings during the year. In addition to carrying no bank debt as at 30 April 2023, the club had cash balances on hand totalling \$141,547. Yes, I will say this again – as it is something all members can be reassured by: At year end the club is debt free and also carries good cash reserves, totalling \$141,547 (noting that cash reserves include a \$50,000 initial distribution from the Richard Ibbotson Estate.)

Not having any overhang of borrowings in the current interest rate environment and having sufficient cash on hand to support ongoing operations and to actually invest in a way that best supports club future needs, is an outstanding financial position for the club to be in so soon after its redevelopment.

### **Thank You**

Thanks go again to Meagan Mifsud (bookkeeper) and to Anita Craven and, earlier in the year, Amy Newton, for their support of the finance function.

Thank you also to my fellow board members and to past board members who have navigated the last 6 years of club life with me. This will be my last report to you all as Finance Manager. While at times, the circumstances through the rebuild and Covid were challenging, I have always had sound support from my peer Board members and from many long-standing members and past executive of the club. This has made the last six years very rewarding. I look forward to providing the same support to those who put up their hands next to help lead the club forward.

# A, F & G COMMITTEE REPORT

IAN SWAN

The Audit, Finance and Governance Committee (the Committee) was established at a Special General Meeting by the members on February 21, 2016.

## Roles and Responsibilities

The Committee is an independent advisory committee elected by members at the Annual General Meeting (AGM). Members of the Committee are appointed for up to 3 years. To minimise loss of corporate memory, approximately half of the Committee members retire on a rotational basis at each AGM, where new members are appointed. The number of Committee members is capped at 5, including the President or their representative as an ex-officio member. The purpose of the Committee is to review budgetary, financial reporting, risk management, internal controls, and fiscal proprietary and special projects of the Association throughout the operating year. The Objectives of the Committee are generally described in the Club's Constitution.

## Reporting Framework

This report is prepared by the Committee to provide the Association's members with details of its activities from the previous AGM through to June of the following year.

## Current Committee Members

The elected members of the Committee for the reporting period were: Vincent Sheehan; David Lightfoot; James Edmonds; and Ian Swan (Chair)

The following members attended in the capacity of: President; Brett Thompson ex-officio, President's Representative; Melissa Field; Observer; Dean Sibun (former committee member), Observer; Grace Lightfoot (Director, Life Saving); Jodie Reyntjes (Director, Sponsorship and Fundraising).

## Elected Committee Members' Period of Service:

Elected Member	2019-20	2020-21	2021-22	2022-23
Neil Hough*	✓	✓	✓	x
Vincent Sheehan*	x	x	x	✓
David Lightfoot	x	x	✓	✓
Brad Potter^	✓	✓	✓	x
James Edmonds^	x	x	x	✓
Ian Swan	x	✓	✓	✓

\*Vincent Sheehan replaced Neil Hough;

^James Edmonds replaced Brad Potter

Both Neil and Brad retired from the Committee at the Club's 2022 AGM after serving their 3 year terms. Having now served his 3-year term, Ian Swan will retire from the Committee at the Club's 2023 AGM, leaving one, 3-year term vacancy to be filled for 2023-24. David Lightfoot has one year to serve on the Committee, while both Vincent Sheehan and James Edmonds have two further years on the Committee.

1963-  
2023  
60 YEARS

## Committee Meetings

During the reporting period from August 2022 to June 2023 the Committee met on 9 occasions. The Club's Finance Director, Melissa Field, attended one (1) meeting of the Committee in the capacity of the President's representative. The President attended the Committee meetings on two (2) occasions. Dean Sibun (former committee member) attended on an ad hoc basis with Grace Lightfoot (Director, Life Saving) and Jodie Reyntjes (Director, Sponsorship and Fundraising) attending meetings to update the Committee on their respective areas of responsibility.

## Elected Committee Member Attendance.

James Edmonds	✓	✓	✓	✓	✓	✓	✓	✓	✓

## CAV Returns & ACNC Status

- The Club is an incorporated association and as of 30 June 2023 was compliant with the requirements of Consumer Affairs Victoria (CAV) and held registered charity status with the Australian Charities and Not-for-Profits Commission (ACNC).

## Committee Business

- Over the reporting period the Committee continued implementing its Work Plan which is based on the Committee's Objectives as outlined in the Constitution. This included:
  - Implementing tasks in the Committee's annual Work Plan and the Club's 'Health Checklist'
  - A review of the end-of-financial-year accounts and discussions with the Club's auditor
  - Conducting an annual Board induction on good governance, risk management and Director responsibilities and duties, which is now available on the Club's website
  - A review of the Club's maintenance schedules
  - Inviting Directors to attend Committee meetings to provide an overview of activities, challenges, and risks associated with their area of oversight.
  - Further discussions on the need to develop longer-term financial projections and strategy as part of the Board's ongoing financial management practices

# A, F & G COMMITTEE REPORT

- Progressing the proposal for fixed 3 x 2-year rotational Director terms, to preserve corporate knowledge and enhance operational consistency for consideration at the 2023 AGM A review of the following club policies/By-Laws for the Board's review and adoption that have been transcribed into the new Club policy template: Code of Conduct Policy; Misconduct and Discipline Policy; Patrol Hours for Competition Policy; Patrol Policy.
- Transcribing 23 existing position descriptions for Club Director and Officer roles into new templates for review and clarification by the Board
- A review and updating of the Club's Constitution to incorporate LSV's new model rules and the proposed fixed 3 x 2-year rotational Director terms for consideration at the 2023 AGM
- An annual review of the Committee's operations and functions against its Work Plan and Charter
- Reviewing Board and Committee succession planning.
- Benchmarking and reviewing the performance of the Club's current auditors, providing the Board with a recommendation to continue their engagement.

In addition, the Committee reviewed the financial accounts on a monthly basis through productive and regular discussions with the Club's Finance Director; this was important in understanding the continued recovery from the impact of COVID-19 on Club activity over the last two years.

In the Committee's opinion, the Club has managed the impacts of COVID-19 on its operations and finances and has positioned itself well to expand its activity level and functions to pre-COVID levels over the forthcoming seasons. The Committee does not see any material financial matters that are required to be brought to the attention of members. Given the Club's financial capacity and the standard of its on-hand life-saving equipment, the Committee does not recommend the transfer of surplus funds to the Life Saving Services Fund at this stage.

I'd like to again thank the Committee members for continuing to volunteer their valuable time and contributions toward delivering the work of the Committee, including the Club's Finance Director Melissa Field for her overview of finances and Board matters.

**FOR THE YEAR ENDED 30 APRIL 2023**

**NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES**

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act Victoria. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accrual basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

**Fixed Assets**

Buildings are brought to account at cost or at independent valuation.

**Depreciation**

The Committee have endorsed a policy of depreciating fixed assets using the straight line method rather than the diminishing value method.

The depreciation rates used for each class of depreciable assets have remained the same and are:

<b>Class of Fixed Asset</b>	<b>Depreciation Rate</b>
Buildings	2 - 10%
Plant and equipment	10 - 33%
Furniture and fittings	10 - 20%

**Inventories**

Inventories consist of clothing, branded merchandise and bar stock which are measured at the lower of cost and net realisable value. Costs are assigned on a specific identification basis and include direct costs and appropriate overheads, if any.

**NOTES TO AND FORMING PART OF THE ACCOUNTS**

**ABN 21 849 701 767**

**FOR THE YEAR ENDED 30 APRIL 2023**

**NOTE 10 – GOODS AND SERVICES TAX AND TAX REFORM**

The Surf Club is registered for Goods and Services Tax which is remitted on a cash basis. The Surf Club is also endorsed by the Australian Taxation Office as an Income Tax Exempt Charitable Entity and as a Deductible Gift Recipient.

**NOTE 11 – ASSOCIATION DETAILS**

Jan Juc Surf Life Saving Club is an association incorporated under the Victorian Associations Incorporation Act and is domiciled in Victoria.

**NOTE 12 - SUBSEQUENT EVENTS**

Subsequent to year end the club received a \$370,000 distribution from a deceased estate, on top of an initial \$50,000 distribution received and reflected as income in these financial statements. No other events or circumstances have occurred subsequent to the financial year ended 30 April 2023 and prior to the signing of the auditor's report that have a material bearing on the financial statements as presented.

## INDEPENDENT AUDITOR'S REPORT

To the members of Jan Juc Surf Life Saving Club Inc

Report on the Audit of the Financial Report

### *Opinion*

I have audited the accompanying financial report, being a special purpose financial report of the Jan Juc Surf Life Saving Club Inc., which comprises the Balance Sheet, Profit & Loss, and Notes to the Financial Statements for the financial year ended 30 April 2023.

### *Basis for Qualification*

As is common for organizations of this type, it is not practicable for the Jan Juc Surf Life Saving Club Inc to maintain an effective system of internal control over monies received until its initial entry in the accounting records. Accordingly, my audit in relation to cash receipts was limited to amounts recorded.

### *Auditor's Qualified Opinion*

In my opinion, subject to the effects of such adjustments, if any, as might have been determined to be necessary had the limitation discussed in the qualification paragraph not existed, the financial report of the Jan Juc Surf Life Saving Club Inc presents a true and fair view of the results of the Jan Juc Surf Life Saving Club Inc operations and cash flows for the year ended 30 April 2023 and its financial position as at that date in accordance with the accounting policies described in Note 1 to the accounts.

### *Basis for opinion*

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report. I am independent of the entity in accordance with the *Associations Incorporation Reform Act 2012 (Vic)* and the ethical requirements of the Accounting Professional and Ethical Standards Board's *APES 110 Code of Ethics for Professional Accountants* (the Code) that are relevant to our my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

### ***Emphasis of Matter - Basis of Accounting***

Without modifying my opinion, I draw attention to Note 1 of the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Board's financial reporting responsibilities under the *Associations Incorporation Reform Act 2012 (Vic)*. As a result, the financial report may not be suitable for another purpose.

### ***Responsibility of the Board of Management for the Financial Report***

The Board of Management responsible for the preparation and fair presentation of the financial report in accordance with the requirements of the *Associations Incorporation Reform Act 2012 (Vic)* and for such internal control as the Board members determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error. In preparing the financial report, the directors are responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Board members either intend to liquidate the Club or to cease operations, or have no realistic alternative but to do so.

The Board of Management is responsible for overseeing the Club's financial reporting process.

### ***Auditor's Responsibilities for the Audit of the Financial Report***

My objective is to obtain reasonable assurance about whether the financial report, as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that audits conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our [my] opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the registered entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by responsible entities.
- Conclude on the appropriateness of the entities' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the registered entity's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the Board regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

A handwritten signature in black ink, appearing to read "M Leigh", enclosed in a thin black rectangular border.
